Coalition

The Cooler Heads Coalition, chaired by Marlo Lewis, vice president for policy and coalitions of the Competitive Enterprise Institute, is the Climate Change Working Group of the National Consumer Coalition. NCC is an educational coalition of 26 pro-market public policy groups, organized by Consumer Alert, which also maintains the Cooler Heads Coalition web-site www.globalwarming.org. For additional information about this event, call CEI Media Director Emily McGee at (202) 331-1010.
